TO THE NURSERY TRADE

In presenting you with our regular Fall Wholesale Trade List for this season we wish to thank our customers and friends for the liberal patronage given us in the past, and we hope to have the pleasure of serving you more in the future.

TERMS AND CONDITIONS: Five (5) per cent discount and free boxing and packing for cash with order. Free packing does not apply to balled and burlapped items. Open Accounts (on known or approved credit rating), two (2) per cent ten days; one (1) per cent twenty days; net, thirty days from date of shipment. Interest at six (6) per cent charged on all past-due accounts.

Orders for less than ten of a variety or grade will be invoiced at an **ADVANCE OF 25% OVER THE TEN RATE REGARDLESS OF THE SIZE OF THE ORDER**, except in Conifers and Broadleaf Evergreens where the "Per Each" and "Per 10" rates apply.

Prices in this list are subject to market changes without notice and cancel all previous printed prices.

We charge for boxing and baling at cost of material used. When stock is loaded bulk in car or truck, no packing charge is made. Orders accepted subject to prior sale of stock or crop injury or loss from any cause beyond our control. We are careful to keep our varieties true to name as labeled, and we will replace, on proper proof, any stock that may prove otherwise, free of charge, or refund the amount paid us, but it is mutually agreed that we shall not be liable for any amount greater than the purchase price paid us. No claims will be considered unless made in writing within ten days after receipt of goods.

SHIPPING—We request our customers to give definite shipping instructions regarding manner in which they wish goods shipped. In the absence of special instructions, we use our

best judgment, but without assuming responsibility. All shipments travel at risk and expense of purchaser. All shipments will be accompanied by State Certificate of Inspection.

TRUCK SERVICE—We are in a position to make deliveries with our own truck and also have access to some local delivery trucks for hire and can make deliveries unless prevented by Federal or State regulation laws or gas rationing.

If interested in a truckload delivery, write us and we will try to make arrangements.

LOCATION—McMinnville is located in Middle Tennessee on N. C. & St. L. railroad, 72 miles East of Nashville, 130 miles West of Knoxville on U. S. Highway No. 70S (the Broadway of America), 80 miles Northwest of Chattanooga on State Highways Nos. 55 and 56 and 100 miles Northeast of Huntsville, Alabama.

REFERENCE—Any bank or business house in McMinnville. The Commercial Agencies or any of the leading nurserymen in the United States.

We will be glad to send sample for approval on any items on orders booked. Due to labor shortage and the extra cost of material and time, we will not send samples until we have an order for the stock subject to approval of sample, which will be sent free on Shrubs and Trees except for transportation charges. B&B Evergreens will be charged for at the regular prices on the order.

Due to the drought that prevailed here from April to September 1, our supply of nursery stock of most items is limited, compared to other years, and we are completely out of many items. The good rains we have had for the past few days are putting new life into our available stock, and we believe, even though the grades run smaller, the stock will come out in good condition. We will have some items in Lining-out Evergreens, Hardwood Cuttings, Collected Ferns and Collected Evergreens to offer later; also can quote a general line of collected stock. Send your want list for quotation on any of these items.
